

SPARKO (\$SPRK) Whitepaper

The Meme Coin That Sparks Solana ■■

1. Introduction

SPARKO (\$SPRK) is a community-driven meme coin built on the Solana blockchain, designed to bring fun, energy, and explosive growth to the ecosystem. With no VC backing, no unfair advantages, and a transparent token distribution, SPARKO aims to ignite the Solana community with memes, utility, and strong branding.

2. Vision & Mission

Vision: Become one of the most recognized and powerful meme coins on Solana, led by community power and viral meme culture.

Mission: Deliver fairness, transparency, and fun while rewarding early adopters through presale bonuses, community-driven growth, and marketing pushes.

8. Market Potential

With meme coins driving massive volume on Solana, SPARKO aims to position itself as the next viral hit. Backed by strong tokenomics, a loyal community, and explosive marketing, SPARKO is designed to attract both meme lovers and crypto enthusiasts seeking big returns.

Targeted growth after launch: +3000% potential.

9. Disclaimer

SPARKO (\$SPRK) is a meme coin built for entertainment and community purposes. It should not be considered financial advice or an investment guarantee. Participation in presale and trading involves risk.

Conclusion

SPARKO isn't just another meme coin—it's the spark that sets Solana on fire. ■■
